

Mark Your Calendar, You Are Invited

CDSN Resource Needs Assessment Logandale, NV Local Work Group Meeting

Thursday June 13, 2019 10:00am – 2:00pm

University of Nevada Coop. Ext. Office
1897 N Moapa Valley Blvd, Logandale, NV 89021

-Lunch will be provided-

Please join the Conservation District of Southern Nevada in Logandale for a discussion on the Clark County Resource Needs Assessment for the Moapa, Mesquite, Logandale/Overton area. This work group will include topics on resources including water, soil, air, and area resource concerns.

Who and Why should I attend?

If you are interested in conservation, are an agricultural producer or work in the field of resource conservation, joining the Conservation District's resource needs assessment will provide us with hearing you and your concerns. We want your input on resources in your area, how to conserve them, what is being done well and not well, and what needs to be addressed for our future.

Questions and RSVP to:
